Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 26, 2013, Clean Coal Technologies, Inc. (the “**Company**”) announced the appointment of Aiden Neary as Chief Financial Officer. Since October 2010, Mr. Neary has been exploring opportunities across the investment banking landscape and has also pursued private interests including charitable work. From February 2010 to October 2010, he served as Managing Director and Chief of Staff for Global Equity at UBS in Stamford, Connecticut. From November 2006 to February 2010, Mr. Neary was Executive Director and Chief of Staff for Global Equity at UBS. From June 2003 to November 2006, he served as Executive Director and COO for the Global Commodity Business at UBS. Prior to that position, from February 2002 to June 2003, he was Director and Business Manager for Global Government Bond and Derivative business at UBS in London, and from August 2000 to February 2002, as Associate Director and Business Manager for Global Government Bond and Derivative Business at UBS in London. Prior to joining UBS, from January 2000 to July 2000, Mr. Neary was Manager and Head of Product Control for Fixed Income Derivatives at Schroders Investment Bank in London. From January 1995 to January 2000, he was Manager and Head of Product Control for Government Bonds and Derivatives at ING Barings. Mr. Neary earned a degree in Accounting and Law from Kingston University in London (1990 – 1993), and is a Chartered Management Accountant since 1998.

Mr. Neary will be compensated for his service with an annual salary of \$250,000 plus the grant of 5,000,000 shares of the Company’s restricted common stock vesting on appointment, plus an additional 5,000,000 shares vesting on December 1, 2014 subject to continued employment on the vesting date. A written employment agreement is being prepared and will be filed when it is completed.

Also on November 26, 2013, the Company announced the appointment of Scott Younger to the Company’s Board of Directors. Dr. Younger is a recognized leader in infrastructure development across Asia, having held a range of senior academic, consulting and business development roles in Hong Kong, Thailand and Indonesia over the past 35 years. He has served as project manager and consultant in many World Bank and ADB funded road and water sector programs, with projects in 10 Asian countries. He was Team Leader for the UK and World Bank funded, award winning Master’s Degree program in Highway and Transport Engineering at the Institute of Technology Bandung, 1986-93.

He currently serves as a Director of PT Nusantara Infrastructure Tbk, a public listed company, investing in infrastructure in Indonesia and for whom he chairs their joint venture (Louis Dreyfus Int’l) port operation in Lampung; and as Commissioner for the East Bali Poverty Project, a model in sustainable development. In 2003 he was awarded the OBE for services to civil engineering and British business interests in Indonesia. Dr. Younger is also President Commissioner of Glendale Partners, a leading infrastructure, natural resources, renewable energy and consulting firm based in Jakarta, Indonesia, and Chairman of the EuroCham Working Group on Infrastructure, and Senior Vice-Chairman of the International Business Chamber, with a particular remit to report on infrastructure. He is a current member of the Eurocham Board and former Member of the Board of the British Chamber of Commerce (1996-2004 and 2010-2012), and responsible for preparing annual reports for government infrastructure. He is also a director of Prime Pacific Coal and Prime Pacific Gold (Singapore). Dr. Younger holds degrees in Engineering from Glasgow, UC Berkeley and Hong Kong.

Pursuant to the appointment, the Company shall compensate Dr. Younger for his service as a director by the grant of 1,000,000 shares of the Company’s restricted common stock vesting on appointment, plus the payment of an annual director’s fee of \$25,000, payable in monthly installments beginning January 1, 2014.

Press releases announcing the above appointments are attached to this Report as exhibits.

Item 9.01 Financial Statements and Exhibits

EX 99.1 - Press release dated November 26, 2013 announcing A. Neary appointment
EX 99.2 – Press release dated November 26, 2013 announcing S. Younger appointment

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Clean Coal Technologies Inc. Announces the Appointment of Wall Street Veteran Aiden Neary as Chief Financial Officer

New York, NY, November 26, 2013 - Clean Coal Technologies, Inc. (CCTC) ("the Company"), an emerging cleaner-energy company utilizing patented technology to convert raw coal into a cleaner burning and more efficient fuel, today announced that Mr. Aiden Neary has been appointed as Chief Financial Officer of the Company, effective immediately.

"Aiden's broad based experience as a financial professional, including with some of the largest global financial firms, more than qualifies him to lead our financial operations, join our management team, and to work closely with our board on strategic issues," said Robin Eves, CEO of Clean Coal Technologies. "This is an exciting stage in our company's growth and Aiden's strong track record in helping organizations finance their growth makes him ideal for our organization."

Mr. Neary brings to CCTC more than 15 years of professional experience through his work with several prominent global investment banks. Mr. Neary brings tremendous experience in adapting quickly to changing environmental landscapes, while maintaining a strong corporate governance and control structure, and engaging and motivating the teams he is responsible for overseeing. His professional career started in London where he held senior financial positions at ING and Schroders bank before moving to UBS in 2000. His career has taken him from London to Hong Kong, Tokyo and New York.

Mr. Neary is a former Managing Director of UBS where he held several key roles, including serving as COO of its global commodities business and Chief of Staff and member of the global equity management team.

Mr. Neary holds a degree in Accounting and Law from Kingston University in London, and is a Chartered Management Accountant.

"Joining CCTC at this pivotal time is extremely exciting," said Mr. Neary. "With the company's strong set of investors committed to the company, we are positioned to be a major player in the energy space. I look forward to working with management and the board to deliver on each of our goals."

About Clean Coal Technologies, Inc. Clean Coal Technologies, Inc., a cleaner-energy technology company with headquarters in New York City, NY, holds patented process technology and other intellectual property that converts raw coal into a cleaner burning fuel. The Company's trademarked end products, "Pristine™" coals, are significantly more efficient, less polluting, more cost-effective, and provide more heat than untreated coal. The principal elements of the Company's pre combustion technology are based on well-proven science and tried-and-

tested industrial components. The Company's clean coal technology may reduce some 90% of chemical pollutants from coal, including Sulfur and Mercury, thereby reducing emissions affecting some coal-fired power plants.

Clean Coal Technologies Inc. Announces the Appointment of Dr. Scott Younger to Board of Directors

Dr. Younger is a Recognized Leader in Infrastructure Development Across Asia

New York, NY, November 26, 2013 - Clean Coal Technologies, Inc.(CCTC) ("the Company"), an emerging cleaner-energy company utilizing patented technology to convert raw coal into a cleaner burning and more efficient fuel, today announced that Dr. Scott Younger has been appointed to the Company's Board of Directors, effective immediately. Dr. Younger's distinguished career in business, academia and public policy earned him an OBE (Order of the British Empire) in 2003.

As a civil engineer, infrastructure development consultant, adviser and academic with 35 years of experience in South East Asia, Dr. Younger's expertise covers mining, highways, water and ports. Since 1978, he has been involved in infrastructure projects across ten countries in Asia, many in conjunction with the world's leading lending agencies. He has served on a number of international and regional bodies associated with infrastructure delivery and is a regular contributor to conferences as well as academic and non-academic publications, including *Forbes* and *Globe Asia* magazine.

Dr. Younger takes an active interest in regional economic and political development, triggered by participation in UK politics in the early 1970s. He was Chairman of Strategic Intelligence from 1998-2001, and for the past decade he has been co-Chair of the Indonesian branch of D Group, an influential London-based business networking company. Since 1995 he has been actively involved with the British and, from 2005, European Chambers of Commerce in Indonesia. He is currently senior Vice Chairman of the International Business Chamber, which he joined in 2003. All these organs connect into government. In 1997, he served as secretary of the ASEAN-EU Business Dialogue for that year.

Dr. Younger is also a passionate advocate of Sustainable Development. Since 1999 he has been Commissioner/Adviser of the East Bali Poverty Project, a successful Bali-based sustainable development project that has transformed the lives of 17,000 people from abject poverty to a thriving community.

Dr. Younger currently serves as a Director of PT Nusantara Infrastructure Tbk, a publicly listed company invested in Indonesian toll roads and ports, and as President Commissioner of Glendale Partners, a consultancy specializing in project development and advisory services.

Dr. Younger earned his Ph.D degree at Hong Kong University and his Master's and BSc. degrees, respectively, at UC Berkeley and at the University of Glasgow.
