The Reporting Person acquired the securities referred to in Item 3 above in furtherance of an expected restructuring of the Issuer under which the Reporting Person desires to help the Issuer clean up its balance sheet to make it more desirable for potential acquisition and capital raising transactions. Depending on market conditions and other factors, the Reporting Person may acquire or dispose of securities of the Issuer as the Reporting Person may deem appropriate, whether in open market purchases or sales, privately negotiated transactions or otherwise.  - (b) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
